The words "endeavor to" shall be deleted from the cancellation provision of all certificates provided by the Vendor.

Failure of DuPage Airport Authority to demand such certificate or other evidence of full compliance with these insurance requirements or failure of DuPage Airport Authority to identify a deficiency from evidence that is provided shall not be construed as a waiver of Vendor's obligation to maintain such insurance.

DuPage Airport Authority shall have the right, but not the obligation, to prohibit Vendor or any subVendor from entering the project site until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by DuPage Airport Authority.

If Vendor fails to maintain the insurance as set forth herein, DuPage Airport Authority shall have the right, but not the obligation, to purchase said insurance at Vendor's expense.

Cross Liability – If Vendor's liability policy does not contain the standard ISO separation of insureds provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

SubVendors Insurance – Vendor shall cause each subVendor employed by Vendor to purchase and maintain insurance of the type specified in this Schedule. When requested by DuPage Airport Authority, Vendor shall furnish to DuPage Airport Authority copies of certificates of insurance evidencing coverage for each subVendor.

Certificates of Insurance acceptable to the Authority shall be filed with the Authority prior to commencement of the Work and thereafter upon renewal or replacement of each required policy of insurance. These certificates and the insurance policies required by this Contract shall contain a provision that coverage afforded under the policies will not be canceled or allowed to expire until at least thirty (30) days' prior written notice has been given to the Authority. An additional certificate evidencing continuation of liability coverage, including coverage for completed operations, shall be submitted with the final application for payment under the Contract documents and thereafter upon renewal or replacement of such coverage until the period for any extended coverage as required herein has expired. Information concerning reduction of coverage on account of revised limits or claims paid under the general aggregate, or both, shall be furnished by the Vendor with reasonable promptness.

The Vendor waives all rights against the DuPage Airport Authority and any of its agents and employees for damages caused by fire or other perils to the extent covered by property insurance.
